CURRICULUM VITAE (Dec.2025)

Personal information:

Surname	: Breugem
First names	: Corstiaan Cornelis
Professional title:	: Full Professor in Plastic and Reconstructive Surgery (University of Amsterdam) : Hon. Professor Plastic Reconstructive and maxillofacial Surgery (University of Cape Town)
E-mail	: c.c.breugem@amsterdamumc.nl
Telephone	: 0031-6-81462987
Date of birth	: 23 July 1970
Place of birth	: Bleiswijk (The Netherlands)
Nationality	: Dutch
Marital status	: Married
Children:	: Two daughters, two sons
BIG nr (Medical License)	: 49048539901
Registration at the KNMG	: Plastic Surgeon till 1-4-2025

Education:

- 2023, Oct- : Honorary professor Plastic Reconstructive and Maxillofacial Surgery,
University of Cape Town, South Africa
- 2023 : Basic course on Regulations and Organization for clinical investigators
- 2021 May - : Full Professor in Plastic and Reconstructive Surgery, UNiversityof
Amsterdam, Netherlands
- 2005 – 2006 : Fellowship Pediatric Plastic Surgery, Vancouver, Canada
- 2000 – 2005 : Medical Specialist training in Plastic and Reconstructive Surgery
University of Amsterdam, Amsterdam, The Netherlands
- 2003 : PhD Thesis: “ ***Progress toward understanding vascular
malformations***”, University of Amsterdam, Amsterdam, The
Netherlands
- 1989 -1994 : Medical Degree (MB Ch B)
University of Stellenbosch, Tygerberg Hospital, South Africa
- 1984 -1988 : Secondary School: Boys High School, Paarl, South Africa

Occupation:

- 2019, Apr- current : Emma Children’s Hospital, AMC location, Amsterdam University Medical
Centers. Amsterdam, the Netherlands
Staff: Division of Plastic and Reconstructive Surgery
- 2006, Nov – 2020, Apr : Staff: Division Plastic Surgery, Meander Medical Center, Amersfoort
- 2014, May- March, 2019 : Lecturer: Department of Anatomy/Embryology, UMC Utrecht, the
Netherlands.
- 2006, Nov – March 2019 : Wilhelmina Children’s Hospital, University of Utrecht, Utrecht, the
Netherlands
Staff: Division of Pediatric Plastic Surgery
Staff: Division Plastic Surgery, Meander Medical Center, Amersfoort
- 2005, July – 2006, August: British Columbia’s Children’s Hospital, Vancouver, Canada
Fellow: Division of Pediatric Plastic Surgery

Elective visits:

- Great Ormond Street Hospital, London, United Kingdom
Division Pediatric Plastic Surgery, Dr. B. Sommerlad,(May),
- Hospital for Sick Children, Toronto, Canada
Division Pediatric Plastic Surgery, Dr. D. Fisher (May)
- Children’s Hospital of Atlanta at Scottish Rite, USA

Corstiaan C Breugem, MD, PhD

Division of Pediatric Plastic Surgery, Dr F. Bernstein (August)

- | | |
|--------------------------------|--|
| 2005, January – March | : Academic Medical Center, Amsterdam, the Netherlands
Registrar Plastic-, Reconstructive- and Hand Surgery |
| 2004, November | : Elective visit: University Hospital Gent, Belgium, Prof.Ph. Blondeel |
| 2004, July – December | : Dutch Cancer Institute, AvL, Amsterdam, the Netherlands
Resident Plastic-, Reconstructive- and Hand Surgery |
| 2002, October – 2004, June | : Academic Medical Center, Amsterdam, the Netherlands
Resident Plastic-, Reconstructive- and Hand Surgery (included 4 months in the Plastic Surgery department and Burns Center in Beverwijk) |
| 2000, March – 2002, September: | Lucas Hospital, Apeldoorn, the Netherlands
Resident in General Surgery |
| 1998, May – 2000, February | : Academic Medical Centre, Amsterdam, The Netherlands
Senior House Officer, Plastic-, Reconstructive and Hand Surgery
(included 6 months work in the Reconstructive Unit of the Dutch Cancer Institute in Amsterdam, and 6 months in Plastic Surgery department and Burns Center of the Red Cross Hospital in Beverwijk) |
| 1997, August – 1998, April | : Lichtenberg Hospital, Amersfoort, The Netherlands
Senior House Officer in General Surgery |
| 1997, June-July | : Selly Oak Hospital, University of Birmingham, England
Senior House Officer in Plastic Surgery and the Burns Unit |
| 1997, January-June | : Livingstone Hospital, Port Elizabeth, South Africa
Medical Officer in General Surgery |
| 1996, November – December | : Tygerberg Hospital, Cape Town, South Africa
Research in craniosynostosis (department of Plastic- and Reconstructive Surgery) |
| 1996, February-August | : Barnet General Hospital, London, United Kingdom
Senior House Officer in Accident and Emergency |
| 1995, January-December | : Windhoek General Hospital, Windhoek, Namibia
House Officer in Surgery, Gynaecology and Obstetrics, and Paediatrics |

|-----------|--|
| 2025, Nov | Submucous Cleft palate: Diagnosis and treatment. Comprehensive Cleft Care Workshop, Global Smile Foundation meeting, Cartagena, Columbia, 19.11.25 |
| 2025, Nov | The vomer flap in cleft surgery: advantages and disadvantages: Comprehensive Cleft Care Workshop, Global Smile Foundation meeting, Cartagena, Columbia, 19.11.25 |

2025, Nov	Robin sequence: respiratory complications after cleft palate closure: Comprehensive Cleft Care Workshop, Global Smile Foundation meeting, Cartagena, Columbia, 19.11.25
2025, Oct	Prevention and treatment of VPI in cleft patients. International Interplast Webinar, 29.10.25
2025, Oct	Buccal flap: indications, technical aspects, and possible patient related aspects, Int Congress on Cleft and Craniofacial related anomalies, Kyoto, Japan (virtual)(21.10.25)
2025 Oct	Robin sequence: Different approaches in Europe. International Congress on Cleft and Craniofacial related anomalies, Kyoto, Japan (virtual)(22.10.25)
2025, Sept	The Dutch approach to cleft palate surgery, Strasbourg, International Cleft Master Course, University of Strasbourg, France (16.9.25)
2025, Sept	The use of the maxillary nerve block in cleft palate surgery. Plastic surgery residents and plastic surgeon, Tygerberg Hospital and Groote Schuur Hospital, University of Cape Town, Cape Town, South Africa (12.9.25)
2025, Sept	Microtia treatment: My personal approach? Is it a personalized approach? Training residents: University of Cape Town, Cape Town, South Africa (12.9.25)
2025 Sept	Robin sequence:” From diagnosis to treatment: Training residents: University of Cape Town, Cape Town, South Africa (12.9.25)
2025, May	Buccal flap in VPI surgery: Pediatric Plastic Surgery in the 21’st Century. Heritage and new frontiers. Rome, Bambino Gesù Hospital 23.5.25.
2025, May	Controversies in Robin sequence treatment Pediatric Plastic Surgery in the 21’st Century. Heritage and new frontiers. Rome, Italy, Bambino Gesù Hospital 23.5.25.
2025, May	Microtia reconstruction: Pediatric Plastic Surgery in the 21’st Century. Heritage and new frontiers. Rome, Italy, Bambino Gesù Hospital 24.5.25.
2025, May	Microtia treatment: My personal approach? Is it a personalized approach? Spanish Society of Plastic Surgery, Las Palmas, Gran Canaria (15.5.25)

2025, May	Global Health and Global surgewry: Paradigm shift in treatment and support. Special Bachelor Medical Students Block, University of Amsterdam. (6.5.25)
2025, Apr	Is de anesthesist onderdeel van het schisis team? AIO's anesthesie, Amsterdam UMC, 7.4.25
2025, Apr	Robin sequence: Lessons learned from previous meetings. Robin sequence 4'th consensus meeting, Paris (3.4.2025)
2025, Febr	Differences in assessment and management of Robin sequence care across different countries in Europe. Robin sequence 4'th consensus meeting, Paris (3.4.2025)
2025, Apr	<i>Robin sequence: Respiratory outcome after cleft palate</i> Robin sequence 4'th consensus meeting, Paris (3.4.2025)
2025, Febr	<i>Surgical learning curve in performing palatoplasty</i> , Brazil Brazil, Total Cleft Care Course (21.2.25)
2025, Feb	Use of a vomer flap in primary cleft lip/palate closure: advantages vs disadvantages. Brazil Brazil, Total Cleft Care Course (21.2.25)
2025, Feb r	Unilateral buccal flap: Indications, technical aspects and possible patient related side-effects. , Brazil Brazil, Total Cleft Care Course (21.2.25)
2025, Febr	Suprazygomatic maxillary nerve block in cleft palate surgery, Brazil Brazil, Total Cleft Care Course (21.2.25)
2025, Febr	Master Course “ Personalized Medicine” , Free University of Amsterdam(18.2.25)
2025, Febr	Kinderplastische chirurgie in de tropen? <i>Paediatrics and Global Child Health Cursus, 6 februari, 2025, Amsterdam</i>
2025, Febr	Nut van global surgery in lage inkomenslanden- VCMS (Vereniging Chirurgie voor Medische Studenten), Amsterdam, (13.2.25)
2025, Jan	<i>Robin sequence: Respiratory outcome after cleft palate closure</i> Strasbourg (14.1.25)- virtual. European Cleft Mastercourse
2024, Nov	Classification of oral clefts in the European Reference Network: Results of a webinar on the LAHSHAL system and its implementation in clinical

	practice. European Reference Network Meeting, Gdansk Poland. (8.11.24)
2024, nov	Difference in approach in Robin sequence approach in Europe. European Reference Network Meeting, Gdansk Poland. (8.11.24)
2024, Nov	Vomer flap . Indications and surgery. Advantages and disadvantages. Division of PlasticSurgery, University Makerere, Kiruddu Teaching Hospital, Kampala, Uganda (27.11.24)
2024,Nov	Microtia reconstruction. Division of PlasticSurgery, University Makerere, Kiruddu Teaching Hospital, Kampala, Uganda (27.11.24)
2024, Nov	Robin sequence, Respiratory complications after cleft palate closure. French Society of Orthodontics, Paris, France (9.11.24)
2024, Oct	Vomer flap . Indications and surgery. Advantages and disadvantages. Comprehensive Cleft Care Workshop, GSF meeting, Cape Town , South Africa (23.10.24)
2024, Oct	Submucous Cleft Palate: Indications, diagnosis and treatment Comprehensive Cleft Care Workshop, GSF meeting, Cape Town , South Africa (23.10.24)
2024, Oct	Buccal Flap in Cleft Palate surgery for VPI: Comprehensive Cleft Care Workshop, GSF meeting, Cape Town , South Africa (23.10.24)
2024, June	Differences in assessment and management of Robin sequence care across different countries in Europe. European Cleft Palate Craniofacial Meeting in Milan, Italy (23.6.24)
2024, June	Microtia reconstruction: Controversies and Evidence.European Cleft Palate Craniofacial Meeting in Milan, Italy (23.6.24)
2024, June	Unilateral buccal flap: Indications , technical aspects and and possible patient related side-effects. European Cleft Palate Craniofacial Meeting in Milan, Italy (23.6.24)
2024, June	Introduction to MRI in VPI Analyses of VPI in the Netherlands. European Cleft Palate Craniofacial Meeting in Milan, Italy (23.6.24)
2024, June	Speech problems in clefts (incl Robin sequence). European Cleft Mastercourse, Unversity of Strasbourg,Strasbourg France (18.6.24)

2024, June	Spraakproblemen bij schisis : VPI. Geneeskunde studenten. Bachelor onderwijs, Universiteit van Amsterdam . AMC, Amsterdam. (11.6.24)
2024, June	Microtia treatment. Geneeskunde studenten. Bachelor onderwijs, Universiteit van Amsterdam . AMC, Amsterdam. (11.6.24)
2024, June	Global Surgery “A paradigm shift in treatment” Bachelor onderwijs, Universiteit van Amsterdam . AMC, Amsterdam. (11.6.24)
2024, June	Lip/kaak/gehemelte schisis. Geneeskunde studenten. Bachelor onderwijs, Universiteit van Amsterdam < AMC, Amsterdam. (11.6.24)
2024, march	New insights in the treatment of clefts in The Netherlands. Schisis NL Parents meeting in Nieuwegein, The Netherlands 16.3.24
2024, Apr	Use of 3D imaging in microtia reconstruction, International Society of Auricular reconstruction , Toronto,(14.4.24) Canada
2024, Febr	Pediatric plastic surgery in the tropics. Tropical Pediatrics and Global Health Course, University of Amsterdam, 7.2.24, Amsterdam
2024, Febr	How can 3D imaging help in microtia treatment: Toward a personalized approach. <i>Personalized medicine Master Student course, University of Amsterdam,, Amsterdam UMC, 13.02.2024</i>
2024, Jan	European Master Course (for orthodontists), University of Strasbourg, France “ Dutch approach of cleft lip palate treatment in the Netherlands” 10.1.24
2024, Jan	European Master Course (for orthodontists), University of Strasbourg, France “ Treatment of Robin sequence” 10.01.24
2023, Nov	Amsterdam Bone Center, University of Amsterdam , Cartilage challenges in the treatment of facial malformations, (13.11.23)
2023, Oct	Co-coordinator of International Comprehensive Cleft Care Workshop in Barcelona 10-13 October 2023, (https://cleftworkshop.org/)
2023, Oct	Comprehensive Cleft Care Workshop, Barcelona (10-13.10.23). Diagnosis and treatment of submucous clefts
2023, Oct	Comprehensive Cleft Care Workshop, Barcelona (10-13.10.23). Use of vomer flap in primary cleft lip treatment

2023, Oct	Comprehensive Cleft Care Workshop, Barcelona (10-13.10.23). Special simulation workshop coordinator about cleft palate closure,
2023, Oct	Comprehensive Cleft Care Workshop, Barcelona (10-13.10.23). Possible solutions of improving global cleft care (Panel discussion with Operations Smile, Global Smile Foundation, Interpleas Holland.
2023, Sept	Uganda plastic Surgery Fellows: Special teaching morning about Cleft lip/palate surgery in Training Hospital Kampala, Uganda, Makerere University, 26.9.23, Kampala, Uganda
2023, Sept	Uganda plastic Surgery Fellows: Special teaching morning about Velopharyngeal insufficiency and surgery in cleft patients "Training Hospital Kampala, Uganda, Makerere University", 29.9.23, Kampala,Uganda
2023, Set	Uganda Society of Plastic Surgery meeting in Kampala, Uganda. " Role of Interplast Holland in improving the training of plastic surgery in Uganda" 1.10.23
2023, Sept	Kumi General Hospital , Uganda. Global Surgery "A paradigm shift in treatment"role of Interplast Holland. 2.10.23, Kumi, Uganda.
2023, Sept	European Master Course (for orthodontists), University of Strasbourg, France " Treatment of speech problems in cleft patients " (13.9.23)
2023, Sept	European Master Course (for orthodontists), University of Strasbourg, France " Treatment of speech problems in cleft patients " (13.9.23)

Corstiaan C Breugem, MD, PhD
 Rosariumlaan 23, 3972 GE, Driebergen, The Netherlands
 ✉ cbreugem@me.com, ☎ 0031-681462987

2013- : Ped J of Surgery
 2012- : International Journal of Pediatric Otorhinolaryngology
 2011- : Pediatrics
 2006- : Cleft Palate Craniofacial Journal
 2005- : Plastic Reconstructive Surgery

Associate Editor:

2015-2016 : Frontiers in Surgery (Plastic Reconstructive section)

Secondary activities:

2024- : President International Society of auricular reconstruction.
 2022-2023 : Member Dutch Guideline “*Protruding ears*”.
 2021- : Part of National evaluation committee for National Expert Center
 evaluation for rare diseases
 2020- : Director Interplast Holland (www.interplatholland.nl)
 2019-2024 : President Dutch Cleft Palate Craniofacial Association
 2019-2024 : Vice-president European Cleft Palate Craniofacial Association
 2017- : Board Member Dutch Cleft Palate Craniofacial Association
 2015-2019 : President European Cleft Palate Craniofacial Association
 2016- : Member European Reference Network, Craniofacial
 2013-2016 : Member of national guideline: Congenital melanocytic naevi
 2013-2017 : Member guideline: Hemangioma care in the Netherlands
 2013-2016 : Representative of the Dutch Association of Plastic Surgeons in the “
 Patient standards for Craniofacial deformities”
 2011-2013 : Member of national guideline “*Protruding ears*”
 2011- : Advisor of Patient Society “*Microtia/Atresia*”
 2009 - : Advisor of Patient Society “*Hevas*” (hemangioma’)
 2009- : President Pediatric Plastic Surgery Foundation
 2001 - 2002, : Council member of the national Junior Dutch Society of Plastic Surgery
 1997, May : Dutch Language Diploma, Port Elizabeth, South Africa

1992, Dec : Xhosa Language course, Stellenbosch, South Africa

Secondary activities in UMC Utrecht:-2019

2014- : Coordinator of Patient Reported outcome Measurement (PROM) for
cleft lip /palate in the Children's Hospital (ICHOM)
2012- : Planner Operating program for plastic surgery in Children's Hospital
2012- : Representative for plastic surgery in " scientific committee surgery,
Division of Surgery"
2012- : Part of organization of annual Surgical Division Research meeting
2012- : Organization medical students special course " Craniofacial"
curriculum
2008- : Coordinator medical students WKZ at plastic surgery
2008- : Representative for pediatric plastic surgery at Children's Hospital
monthly meeting (Pediatrics and Surgical specialities)
2008- : Responsible for making and updating patient information (folders)

Secondary activities Meander Medical Center, Amersfoort

2008-2014 : Medical manager division plastic surgery
2008-2020 : Representative financial aspects division plastic surgery
2011-2020 : Coordinator medical students (Central Opleidings Commissie)

Medical Missions:

2025, September : Cleft and Ear surgery, Cape Town South Africa
2024, Nov : Burn and Cleft, Kumi Uganda, Kampala, Uganda
2023, Oct : Burn and reconstructive surgery, Kampala, Uganda
2023, Oct : Burn / reconstructive surgery, Kumi, Uganda
2023, April : Burn/reconstructive, Kampala, Uganda

2021, Oct	: Cleft/ Burn/Tumor surgery, Kampala, Uganda
2019, Feb	: Cleft/Burn surgery, Nairobi , Umurango, Kenia
2016, Oct	: Cleft / Burn surgery, Tangiers, Marocco
2014, May	: Cleft / Burn surgery, Casablanca, Marocco
2013, January	: Cleft/ Burn surgery. Mdiq, Marocco
2012, February	: Cleft palate and Burn mission, Mdiq, Marocco
2010, October	: Medical Cleft Palate and Burn Mission, Burundi
2008, September	: Medical Cleft Palate and Burn Mission, Amarkantak, India
2007, December	: Microtia mission, Haifa, Israel
2006, March	: Medical Cleft Palate mission, Cabanatuan, Philippines.

International Congress Organization:

2023, Oct	Co-coordinator of International Comprehensive Cleft Care Workshop in Barcelona 10-13 October 2023, (https://cleftworkshop.org/)
2023, June	Coordinator “ Education Bachelor Medicine “ Global Child Health: Global Surgery” 29 May -3 June 2023, University of Amsterdam, Amsterdam Mdical Centers.
2023, Febr	Coordinator: International Cleft Palate Master Course Amsterdam “ Local nerve blocks in cleft lip / palate surgery. Including cadaver dissection course. Amsterdam Skills Center. 9-10 Febr 2023. (https://cleftpalate.nl/)
2022,June	Burns course: Preventive and primary burn care. University of Mekere, Kampala, Uganda. Together with Interpleas Holland. For nurses and doctors primarily involved in primary burn care.
2021, Sep	: Crossing Borders in the treatment of Plastic Surgery, Amsterdam NL
2021, June	: International Cleft Palate Master Course Amsterdam. Oral fistula treatment, Amsterdam
2019, June	: European Cleft Palate Craniofacial Association meeting, Utrecht, NL
2019, Jan	: Treatment of microtia, Utrecht, The Netherlands
2018, Dec	: International Cleft Palate dissection Course : Primary lip/palate surgery
2018, June	: Cleft care: European Reference Network meeting, Utrecht, Netherlands

Corstiaan C Breugem, MD, PhD
 Rosariumlaan 23, 3972 GE, Driebergen, The Netherlands
 ✉ cbreugem@me.com, ☎ 0031-681462987

2017, Nov	: Treatment of microtia, Utrecht, The Netherlands
2016, Nov	: Improved genetic analysis for clefts, Utrecht, Netherlands
2015, Nov	: International Cleft Palate dissection Course : VPI treatment
2014, Nov	: International Consensus meeting about Robin sequence, Utrecht, NL
2013, Nov	: International Cleft Palate Dissection Course, Utrecht, NL
2013, May	: Functional Ear Reconstruction, Utrecht, Netherlands
2012, Oct	: 22q11 symposium, Utrecht, The Netherlands
2011, Oct	: International Cleft Palate Dissection Course, Utrecht, NL

National Congress Organization:

2018, June	: Surgical Division (DHS) Research Meeting, Utrecht
2017, Sep	: Surgical Division (DHS) Research Meeting, Utrecht
2016, Nov	: Dutch Cleft Palate Association meeting, Utrecht
2016, Apr	: Surgical Division Research Meeting, Utrecht
2015, Apr	: Surgical Division Research Meeting, Utrecht
2007, Nov	: Dutch Cleft Palate Association meeting, Utrecht

International Webinar organization:

2024, June	: European Reference Network, Cleft Classification. Use of LAHSHAL .
2024, June	: Palatal Fistula treatment (prof Fayyaz, Pakistan > 400 participants)
2023, Oct	: Nerve blocks in palatal surgery (numerous see www.cleftpalate.nl)
2023, Sept	: Introduction to clinical leadership (Prof Ataklitie, Ethiopia)
2023, June	: Lower extremity trauma (dr Botman, Netherlands)
2023, May	: Flexor tendon reconstructions (prof Chang, USA)
2023, April	: perforator flap in burn contractures (prof van Zuijlen, Netherlands)
2023, February	: Treatment neurofibromas (dr Venter, South Africa)

Research Grants:

2024 : Erasmus + Together with Martin Persson: Digital education with VR glasses. € 50 000

2024	: VanWalree Fund, (KNAW beurs) Creating website for surgical cleft surgery € 10 000	
2023	: Burn treatment in lower income countries with Myrthe Simon, Amsterdam PhD Scholarship	€ 270 000
2021	: Innovation Fund , Amsterdam UMC, Using imaging to improve understanding of cleft palate.	€ 195 000
2020	: Funding for PhD students from AMC Board of Directors-	€ 450 000.
2017	: COST grant with Martin Persson (Sweden) <i>(Programme that enables researchers to set up their interdisciplinary research networks in Europe)</i>	€ 500 000
2017	: Pediatric Plastic Surgery Foundation Treatment of Robin sequence for Bob Logjes	€ 10 000
2017:	Dutch Burn Association € 85 000 for PhD candidate Claire van Hovell , regenerative medicine for 3D printing of ears.	
2015	: NWO grant for Iris Otto grant Regenerative Medicine Utrecht (RMU), for 3-D printing elastine cartilage for ears.	€ 200 000
2014	: Dutch Association of Plastic Surgery Cleft Grant With prof van der Horst, AMC, Amsterdam, Robin sequence	€ 15 000
2014	: Zon MW grant rare disease and networking Networking for Robin sequence consensus meeting	€ 6 000
2014	: Dutch Association of Plastic Surgery Cleft Grant With Dr Mink van der Molen, Utrecht, Speech analysis in clefts	€ 15 000
2013	: Department of Clinical Genetics: (with dr Marie-Jose van de Boogaard) Genetic analysis of Robin sequence	€ 10 000
2013	: Together with department of orthopedics/Jos Malda " UMC Internationalization Strategic EU funding	€ 24 000
2012	: NutsOhra, Feeding problems in clefts	€ 200 000
2003	: PhD- Vascular Malformations, Jurriaanse Stichting	€ 20 000

Research projects/ PhD co-promotor::

In PhD evaluation commission:

2019, Nov	Jitske Nolte “ Challenges in unilateral condylar hyperplasia” (UvA)
2020, Oct	Dafydd Visscher, Cartilage tissue engineering. (UvA, Amsterdam)
2020, Oct	Claire van Hovell “ Treatment of microtia” (University of Utrecht)
2021, Oct	Anne Fledderus “ Outcome for congenital Melanocytic Naevi”
2021, Oct	Thom Hendriks: “ Toward Global Care for Burns” (UvA)
2021, Sep	Max Lokhorst “ Treatment of vascular malformations”
2022, March	Nine Legemate “ Surgical management of burns” (22.3.22)
2022, Febr	Veera Pitkanen” Surgical treatment of Patients with cleft palate” Helsinki, Finland (4.2.22)
2022, Febr	Doris Salazar “ Development of a fibrin based muscle construct for soft palate muscle regeneration. Nijmegen, Netherlands.
2022, Maart	Kelly Dreuning, “Inguinal hernia in Children” (26.3.22)
2022, Sept	Maurits Lange “ Regarding influenetal determinants in reconstructive or aesthetic surgery of the female perinoegenital region. (29.9.22)
2022, Nov	Martine van Huizum “ Breast reconstruction” (23.11.22)
2023, June	Frederieke Fransen “ Laser treatment for skin diseases” (14.6.23)
2023, April	Robin Breukink” Maxillofacial growth in infants using three dimensional surface imaging” University of Nijmegen (26.4.23)
2023, Sept	Lieke Beltman “ Improving the outcome of patients with Hirsprung Disease” (29.9.23)
2024, Jan	Merel Stor “Moving towards a personalized approach in the management of vascular malformations”
2024, Mrt	Maarten Vijferberg ”On the management of patients with microtia” Nijmegen
2024, Mei	Sebastian Sparenberg “ Reconstructive Surgery: Risk factors and outcomes”
2024, Dec	Cas van Cruchten “ Non-operative correction of craniofacial anomalies in infants”

2024, Dec	Ginger-Beau Langbroek “ Vascular malformations: From diverging visions to shared decisions”
2025, Jan	Annabel Groot “ Congenital microphthalmia and anophthalmia: biometrics and treatment using 3D techniques”
2025, June	Danielle Rijpma “ New Insights in Burn Treatment”
2025, Sept	Brussels” New genetic insights in Cleft Treatment”
2025, Dec	Eva Heeling “ Optimizing breast contour preserving possibilities in breast cancer surgery : Shaping the future
2026, Jan	Arda Arduc” Invisible footprints” , University of Amsterdam 8.1.26

Finished PhD projects:

1. Marlies de Graaf: “ *Care and Cure for infantile hemangiomas*” - 2014
2. Emma Paes “*Treatment and improved understanding of Robin sequence*” – 2015
3. Martine Raphael “*Treatment of hemangiomas: Perspectives from a pediatrician*” - 2016
4. Isabelle Kappens “ *Longterm assessment of unilateral cleft lip palate patients*” - 2017
5. Marieke van Wijk “*Ear deformities and treatment*” -2019
6. Iris Otto “Regenerative medicine and 3-D printing for ear deformities” 2020
7. Claire van Hovell “ Improvement in microtia treatment” 2020
8. Bob Logjes “ New Perspectives in the treatment of patients with Robin sequence” (21.9.22)
9. Rami Kantar “ Sustainable cleft care through simulation based education” (31.5.23)
10. Yangyang Lin “3D imaging of ear” (5.12.2024)
11. Daan van Nunen “Understanding Robin sequence” (6.5.25)
12. Bram Smarius “New insights in the treatment of clefts” (8.5.25)
13. Merel Kooijman “Challenges and chances in immediate implant-based breast reconstruction following nipple- or skin-sparing mastectomy” (4.6.25, University of Amsterdam)
14. **Hans Smit “ Understanding the embryology of cleft palate” (28.1.26)**

Current research/ PhD projects:

1. **Elsa Ronde (3D imaging of the face)**

2. Iris de Vries (Feeding problems in oral clefts)
3. Camille Guillaume (Feeding problems in oral clefts)
4. Ruben Houkes (Classification of clefts)
5. Saleigh Adams (Cleft Palate treatment: new treatment options)
6. Jess Peters (Use of MRI for VPI analyses in oral clefts)
7. Nathaniel Sullivan (Understanding Robin sequence)
8. Myrthe Simon (Treatment of burns in low resource countries)
9. Sofia Bachini (CleftQ-PROM for small children with a cleft)
10. Yoline Mermans (Robin sequence: treatment improvement)
11. Ghulam A Fayyaz (new insights in cleft treatment)
12. Saniye Duchateau (Submucous clefts: Improvements in treatment)

Medical Students Bachelor part:

- | | |
|-------|---|
| 2021- | Created special block “ Pediatric Plastic surgery” for second year medical students (3 weeks) |
| 2021 | Created special block “ Global Surgery: for second year medical students (1 week) |

Students thesis coaching:

Master students

- Frederique Kemme (2023): Development of the patient scale of the patient and observer scare assessment scale in children.: Prospective study.
- Francien Cobben (2023, Sweden) Facial reconstruction with free flaps
- Amber Mahieu (Cape Town, 2023) Barriers to comprehensive cleft care in sub-Sahara Africa
- Pien Verreijdt (Cape Town 2023), Feeding problems in cleft palate patients
- Chayenne Willemz (Cape Town, 2024): Maternal Risk Factors in Cleft Lip and Palate: Insights from Red Cross Children`s Hospital, Cape Town, South Africa
- Roos Neervoort (Cape Town 2024): Feeding problems in cleft palate patients
- Bevin Hos(2025): Analyses of 3 year direct breast reconstruction in Amsterdam
- Chaima Chaouki (2026): VPI and surgery in our cleft patients (2019-2025)

Bachelor student coaching:

2024

- Marie Bos (Comparing effect of NPO vs TLA on feeding in Robin sequence patients)
- Jasmijn Fokkens (A review of surgical and conservative interventions in AMC patients)
- Mariam Almushat (Evaluating efficacy and risks of buccal flap surgery for VPI)

Memberships:

- : Dutch Association of Plastic Surgeons (NVPC)
- : Dutch Association of Cleft Palate / Craniofacial anomalies (NVSCA)
- : American Cleft Palate Association (ACPA)
- : International Cleft lip/palate Foundation (ICPF)
- : International Society for Auricular Reconstruction (ISAR)

Social activities:

President Interplast Holland (www.interplastholland.nl) 2019-

Member of the Dutch Reformed Church

Sunday school teacher (2011-)

Coordinator Medical Missions to developing countries

Hobbies :

Triathlon (Olympic distance, Ironman 70.3), Athletics (eg. 10km, 21km),Cycling

History/reading

My two daughters and two sons.....
